

Highland Medical Center School Immunization Clinic

Wednesday, October 19, 2022

HMC will offer Influenza, HPV, and COVID Monovalent Vaccinations. If your child's insurance does not cover the cost of the vaccine through their pharmacy benefit, a simple visit will be conducted that may require a co-pay or co-insurance.

Enclosed are the:

- A School Based Health Care Consent form that is required for your child to receive vaccines through school programs;
- A consent form and screening tool required for your child to receive vaccinations.

Information regarding the specific vaccines can be found on the ourhmc.org website and via the following links:
